

ANNUAL RAIL SAFETY CONFERENCE & EXHIBITION (ARSC) 2017

Dear Sponsors and Exhibitors,

The ARSC 2017 hosted by the leading rail safety authority in Africa, would like to cordially invite you to this prestigious event, which will be held on the **9th – 11th May 2017** in Durban, Kwa-Zulu Natal, South Africa.

With an estimated attendance of 200 selected rail professionals, experts and decision makers from all over the world, this is the impeccable platform for your organisation to stage a spectacular and unforgettable brand presence to the Conference delegation. The invitation is mainly open to organisations that intend to expand their network and business by demonstrating commendable industry technologies and solutions to the executive leadership in attendance at the Conference.

By partaking as a sponsor you will strategically raise your company profile and stand apart from your competitors and partaking as an exhibitor will afford you an unparalleled opportunity to meet delegates face to face and conduct marketing and promotional activities. The quality of the delegates and the nature of topics covered will make the ARSC 2017 your ideal marketing platform.

Both sponsorships and exhibitions are the most pivotal factors contributing to the success of any conference and we would like you to be part of the success of this remarkable annual event.
